I have lived in this property since the 1960's and want to continue to have a home. I have been disabled for many years and survive on SSI. I have been the equitable owner of the property (as sole heir and surviving resident) since 2009. As personal representative (nominated by Will), I held title to the property (DC Code 20-105). Because of my mother's Will, I believed that property transferred automatically and that I did not have to record a new deed or reapply for homestead. My illness has limited my ability to understand and cope with financial matters.
